NEW BUSINESS

Sheriff Jansen- Addressed the board about a new law enacted that all notaries are required to post a cash bond for insurance purposes. Does KACo have some type of policy that Sheriff Offices can buy for their office staff? Temple Juett from KACo addressed the board that a policy from Liberty Mutual can be obtained through KACo for \$40.00 a person that would cover a 4 year period of time.

FOP

Major Bill Thompason from Daviess County SO addressed the board and read a letter from the Kentucky Retirement system that he received as he will be turning 65 on why he would have to go on Medicare after the ruling on the law suit.

The FOP filed a lawsuit over making retirees go on medicare at 65 years of age, the federal courts ruled in favor of FOP and 4 members of Louisville FOP lodge. KRS is still forcing retirees to go on medicare, the FOP may file a class action law suit. The KSA and KACP will speak to representatives and senators about this issue. The KSA are going to have their attorney John Estill get with the FOP attorney David Leighty about the law suit and the current status.

President Tony Hampton asked the board to go into executive session to discuss personnel matters.

KSA LEGISLATIVE REPORT FOR WEEK ENDING JAN. 31

FRANKFORT – The big story out of Frankfort this week was Gov. Beshear unveiling his [budget](#) to a joint session of the Kentucky General Assembly. The budget includes a \$600 increase in law enforcement’s KLEFPF training stipend.

Though we were concerned that KLEFPF funds would be used to pay for training facilities and equipment in Richmond, Gov. Beshear’s [budget documents](#) do not indicate any spending of KLEFPF funds beyond the stipend increase. However, legislators have filed bills that could reallocate KLEFPF funding to other projects and initiatives. We are remaining vigilant in tracking any proposals to spend KLEFPF dollars on anything other than training.

Click [here](#) to review a briefing on the governor’s budget. It is a high-level look at the two-year spending plan but provides an excellent look at where Gov. Beshear wants to spend money over the two-year period that begins July 1.

Also this week, Rep. Jason Nemes, R-Louisville, primary sponsor of medical marijuana legislation – [HB 136](#) – addressed the Ky Sheriff’s Association Thursday. The Kentucky Association of Chiefs of Police (KACP) Frankfort team was also in attendance. Rep. Nemes has removed provisions of the bill that have raised concerns among law enforcement, including now allowing any marijuana to be smoked or grown by individuals at their homes. This bill has nearly enough co-sponsors – including Speaker of the House David Osborne – for the 51 votes needed to pass, so this legislation is going to the Senate, where Senate President Robert Stivers has said the bill has “a path” in the Senate, though he has stopped short of saying it will pass. We encourage members to read the bill; at the very minimum, read the summary page. It lays out what this bill does and does not allow. [The Richmond Register](#) has just published a Q&A with Rep. Nemes that will answer some questions. Assigned to House Judiciary Committee. ***Oppose but could change to neutral***

Regarding medical marijuana, [House Concurrent Resolution 5](#), sponsored by Rep. Danny Bentley, R-Russell, passed the House 89-2 and now heads to the Senate. The resolution is basically a request from the Kentucky General Assembly for more federal research into the safety and efficacy of medical marijuana. Unlike legislation, resolutions do not carry the force of law and are typically introduced enacted to represent the sentiment of the legislature. ***Support***

NEW LEGISLATION FILED

HB 343: KLEFPF funding

Sponsored by Rep. Melinda Gibbons Prunty, R-Greenville, would allow members of joint task forces who do not receive KLEFPF funding to receive the annual training stipend. Assigned to the Veterans, Military Affairs and Public Protection Committee. *Under consideration*

KEY BILLS UPDATE

HB 322: Asset forfeiture reporting

Sponsored by Rep. Savannah Maddox, R-Dry Ridge, the bill has picked up its first co-sponsor – Rep. Jerry Miller, R-Louisville. The bill is related to asset forfeiture with an emphasis on reporting. Rep. Maddox has been working with the lobbyist for Americans For Prosperity (AFP), which is a political arm of the Koch Brothers empire. The Frankfort teams from KSA and KACP met last week with AFP lobbyist Andrew McNeil to share concerns about the bill, including a provision that would mandate that law enforcement departments go back two years to report on any assets received. KSA and KACP find this provision overly burdensome and unnecessary. McNeil is taking law enforcement concerns to Rep. Maddox. Assigned to House Judiciary Committee. *Oppose*

HB 253: Fatal traffic accident investigations

Sponsored by Rep. Daniel Elliott, R-Danville. Would require local law enforcement to investigate all traffic accidents involving a fatality that occur on state-maintained highways; specify that if local law enforcement does not have an accident reconstruction unit, KSP will investigate. Assigned to Veterans, Military Affairs and Public Protection. KACP's Frankfort team met this week with Rep. Elliott to express concerns. KSP has raised concerns as well. Rep. Elliott is considering making changes to the bill based on law enforcement concerns. *Under consideration*

HB 298: Vehicle pursuits

Filed by Rep. Jerry Tipton, R-Taylorsville, the bill – a major initiative by KLC – requires law enforcement agencies to establish and enforce policies dealing with vehicle pursuits. Assigned to House Judiciary Committee. The bill was slated to be heard last week in committee, but after KSA and KACP raised concerns about the bill, Rep. Tipton pulled it from the agenda and convened a meeting of KSA, KACP and KLC. House Judiciary Committee Jason Petrie, R-Elkton, was also present. Many of law enforcement's concerns have been met, but the bill continues to be a work-in-progress. *Under consideration.*

Sponsored by Rep. Reggie Meeks, D-Louisville. Assigned to Judiciary Committee. Not expected to move. *Oppose*

HB271: Line of duty death benefits

Sponsored by Rep. John Blanton, R-Salyersville. Bill would remove the provisions that reduce line of duty or duty-related death benefits upon remarriage. Passed State Government Committee; awaiting action in the House. *Support*

HB361: Prisoner transfers

Bipartisan bill sponsored by Reps. Deanna Frazier, D-Richmond, and Jason Petrie, R-Elkton, the chairman of the House Judiciary Committee. The bill relates to prisoner transfers and requires an agreement between an originating and receiving jail before a transfer is ordered; other provisions as well related to prisoner transfers, KSA is working with the sponsors on some concerns and suggestions. Not yet assigned to committee. *Under consideration*

SENATE

SB 1: Immigration, sanctuary cities

Sponsored by Sen. Danny Carroll, R-Paducah, and 12 other Senate Republicans. Top priority of Senate GOP this session. Like the House bill but farther reaching. It would prohibit law enforcement as well as public officials and employees of public agencies and institutions from “enacting, adopting or otherwise enforcing any sanctuary policy”. It would also “require” law enforcement and other public officials “to use their best efforts, considering available resources, to support the enforcement of federal immigration law”. Passed Senate; now heads to the House for consideration. *Under consideration*

SB8: Requires SRO’s to be armed, other provisions related to preventing and dealing with school shootings

Sponsored by Sen. Max Wise, R-Campbellsville. Co-sponsors include Senate Floor Leader Thayer. Passed Senate 34-1; awaiting action in House Education Committee. But questions persist about funding the bill, which could cost as much as \$100 million to fully implement given that the bill calls for one mental health professional to be hired for every 250 students in a school district. *Under consideration*

SB74: DUI bill

Sponsored by Rep. Whitney Westerfield, R-Hopkinsville. Bill would allow judges to issue search warrants for a motorist’s blood or urine in DUI cases that do not involve a death or serious injury, which is the current requirement. Being pushed by KY County Atty’s Assoc. Passed Senate 31-4; awaiting action in House Judiciary Committee.

Support

SB 111: Temporary casket bill

Filed Sen. Phillip Wheeler, R-Pikeville. Bill would ensure that the remains of a fallen first responder – including law enforcement – killed in the line of duty are returned to their family in a casket draped with an American flag. This bill grew out of an unfortunate circumstance when a fallen Pikeville officer was returned to his family on a gurney. The coroner's association is reportedly opposing the bill as written. Assigned Veterans, Military Affairs and Public Protection Committee. ***Support***

ATTORNEY GENERAL DANIEL CAMERON

Priorities of the Office of the Attorney General

DEFENDING THE COMMONWEALTH

Our office is committed to defending the laws passed by the General Assembly at every level of the court system, and we will work to make sure that cases led by Commonwealth's and County Attorneys are fully defended on appeal. We look forward to working with the General Assembly to codify in statute the Office of the Solicitor General, which will handle appellate litigation for the Commonwealth.

PROTECTING KENTUCKIANS

Our office has a clear mission to improve the public safety outcomes of Kentuckians living in all 120 counties, including the most vulnerable members of our society. We will work every day to safeguard citizens and families in many ways, including scam prevention, utility rate intervention, fighting Medicaid fraud, and prosecuting cyber criminals.

FIGHTING THE DRUG EPIDEMIC

The drug crisis in Kentucky is the public safety challenge of our lifetime, and we are committed to using every resource available to combat this epidemic. In 2018 alone, drug overdoses claimed the lives of 1,333 Kentuckians. This scourge, brought on by the opioid epidemic, exacerbated by deadly fentanyl, and continuing with the threat of methamphetamines, must be ended.

JUSTICE FOR CRIME VICTIMS

We aggressively pursue justice for Kentuckians who are victims of crimes through investigations, prosecutions, and support resources. We work with victims and advocates through training, awareness, and policy initiatives like the Victim Information and Notification Everyday (VINE) system and the Office of Child Abuse and Human Trafficking Prevention and Prosecution.

PARTNERING WITH LAW ENFORCEMENT

As the Chief Law Enforcement Officer for the Commonwealth, we will partner with law enforcement to ensure they have the tools needed to perform their duties throughout the Commonwealth. We will also work closely with our Commonwealth's and County Attorneys to provide prosecutorial support and resources.

GOVERNMENT TRANSPARENCY

Our office is committed to ensuring that Kentuckians have full access to their government. Kentucky law vests the Attorney General with ensuring that the Open Records and Open Meetings laws are followed by government agencies at every level. As Kentucky's Chief Law Officer, our office issues legal opinions and handles appeals on pressing issues facing our elected leaders and citizens.
