

LETTERS *from the* PRESIDENT & EXECUTIVE DIRECTOR

Letter from Shain Stephens PRESIDENT KSA

Dear Sheriffs and Friends,

It's my honor and privilege to represent the Kentucky Sheriffs' Association as the incoming President in 2024. I look forward to building new relationships and working with all Sheriffs across this Commonwealth to ensure that our association remains strong and well respected as we move forward. Now more than ever law enforcement is faced with new challenges on a daily basis and we must stay diligent as we continue to strengthen our association.

Please remember to support the Kentucky Sheriffs' Boys and Girls Ranch with donations and fundraisers so that we may continue to take care of children and provide learning and activities to help them build on their values and future endeavors. The Kentucky Sheriffs' Association, through hard work and commitment has accomplished great things to date and I look forward to working with our Executive Director Jerry Wagner to continue doing great things! I hold Jerry in high regard as our director and as a friend, and we are extremely fortunate to have his voice leading our association in Frankfort and on a daily basis.

In closing, please let me say how proud I am to serve as President of this wonderful association and how proud I am to be one of the 120 Sheriffs in this great state of Kentucky. As the Harrison County Sheriff and the President of the Kentucky Sheriffs' Association I will continue to serve both capacities with dignity and honor. Always remember "**No Sheriff Stands Alone**".

Sincerely,

Sheriff Shain Stephens
Harrison County Sheriff
President, Kentucky Sheriffs' Association

To my friends in law enforcement,

During my time as Deputy Attorney General, I had the honor of meeting and working with the Kentucky Sheriff's Association and many of the great sheriffs, deputy sheriffs, and office personnel across our Commonwealth. I saw your hard work, but I saw your compassion for children too. And that's my focus today.

Since 1923, Kosair for Kids has funded the cost of medical care, medical equipment, and therapy for children with complex medical conditions and whose families cannot afford care. We reach all 120 counties, so no sheriff and no county is too far away. If you know a child in need, I hope you will refer the family to Kosair for Kids by calling (502) 637-7696 or visiting [kosair.org](https://www.kosair.org).

Kosair for Kids is also the proud founder of the Face It Movement to end child abuse. Together, we must continue our work to erase this horrible epidemic. We would be proud to partner with you to tackle this tough issue.

Kosair for Kids also provides grant funding to nonprofit organizations that assist children throughout Kentucky. Our grants reach child advocacy centers, CASAs, hospitals, therapy providers, and other organizations devoted to helping children.

Finally, Kosair for Kids provides unique, sensory-friendly experiences that allow children to experience the power of joy. Like your work through the Boys & Girls Ranch, we believe that children need experiences to boost their self-confidence, learn, and grow, and sometimes they simply need to know someone loves them.

In closing, thank you for your service to Kentuckians, particularly our children. Please never hesitate to reach out to discuss how we can help children together or to refer a child in need.

God bless.
